Have a clear vision. Own the why

Proverbs 29:18

Where there is no vision, people perish. But happy is the man who keeps the law.

Three things to know about VISION

1 - You can't give away what you don't own.

2 - You have to give the vision away to your team.

Talk about it.

- Talk about it in conversation.
- This personal not formal.

Teach about it.

- From up front.
- In meetings.
- When on boarding new team members.
- In leadership training environments.

Hold your team accountable to it.

- Memorize it.
- Teach it to their team members.
- Don't allow vision drift.

3 - If your why is not right - your what will not last
